

RESUME

LEE ZHAN FENG
2 Jalan Belatuk
Kepong Baru
52100 Kuala Lumpur
Mobile: 012-9751163
Email: zhanfeng@live.com.my

PERSONAL

Gender : Male
Marital State: Single
Nationality : Malaysian
Religion : Buddhist
Date Of Birth : 6 January 1994

EDUCATION

UNIVERSITI SAINS MALAYSIA
Bachelor of Computer Science (Hons), expected graduation
June 2018
Current CGPA 3.59
Current Year: 3
Major: Network Computing
Elective: Intelligent System

RELEVANT COURSES

Network Programming
System Analysis & Design
Programming Language Concept & Paradigms
Design & Analysis of Algorithm
Web Engineering & Technologies
Artificial Intelligence

COMPUTER SKILLS

C++ Programming
Java Programming
MySQL
Basic Prolog
Basic HTML5
Basic CSS
Basic PHP
Basic C# programming

PROJECTS

Swift IOS Game Application

A project to develop a simple dipole board game by using SWIFT language which provide MultiPeer connectivity that enable peer to peer connection between IOS devices.

Android Mobile Application

A mobile application that provide a platform for student to request for student cab or rent a car. In this project, we are using Android Studio, Firebase and Node.js to make the mobile application.

Augmented Reality Mobile Application

A mobile application that identify buildings and words to show related information to the foreign traveler when they visit to some travel spots. Unity3D and Vuforia are used to build the application.

Presentation Scheduling System

A project that develop a system which schedule the final year student presentation in slots by using simulated annealing and genetic algorithm and compare which algorithm is generating a better solution for the problem. The system are built by using Java Language.

ACTIVITIES

University Chinese Debate Representative, USM.

Member, Computer Science Club, USM.

Member, Sekreteriat Kebudayaan dan Kesenian Tionghua, USM.

Member, Persatuan Bahasa Tionghua, USM.

OTHER SKILLS LANGUAGE &COMPUTER

Good writing and oral skills in English Language, Bahasa Malaysia and Chinese Language.

Proficient in Microsoft Access, Excel, Word, PowerPoint.

Intermediate video editing skill in Vegas Pro.
